

SUCCEED AT STATES IN...

OBJECTIVE TESTING

WEHS FBLA

What Is Objective Testing?

- 60 minutes
 - 100 questions
 - Last 10 questions are tiebreakers
 - Non-graphing calculator permitted for all tests
 - Test guidelines can be found [here](#)
 - Make sure to use the state guidelines for SLC
 - Bring #2 pencils
- 

SLC is less than
2 months away!

*April 1-3, Rochester, NY
(Wednesday-Friday)*

Study Tips

- Review STATES guidelines carefully
- Perform online research
- Do old tests--questions will be repeated!
 - Take notes based on tests
 - Look up concepts you didn't know
- Talk to people who did the event last year

Individual Objective Events

- **Accounting II** - reverted back to a test-only event - no more production
- **Business Math** -- renamed **Introduction to Financial Math** (9th and 10th grade event)
- **Business Procedures** -- renamed **Introduction to Business Procedures** (*9th and 10th grade only event*)

Why does it matter?

- Top 4 SLC winners at SLC this year move on to NLC
- Recognition at States
- Resume
- FBLA chapter pride
