# TRANSITIONING INTO A NEW YEAR

**Author: Shreya Girish, President of Monroe Woodbury FBLA**

Welcome back for the 2023-2024 school year everyone! As classes and sports start up again, FBLA is coming back for another successful year. September is always a hectic month, regardless of whether you are a student, member, or officer- there are many responsibilities to take care of. Here at Monroe Woodbury, our main goal is to successfully advertise FBLA to the student body through all the chaos the first month of school brings.

Our new officer team has taken the initiative to inform and prepare our new officers at an officer meeting over the summer. We focused on creating an organized schedule to split and assign work for the upcoming year, in such that we would work together as a team, not as individuals. In particular, our Vice Presidents of POW will collaborate to create presentations for each POW and lead workshops to ensure that those POWs get sufficient submissions. Along with that, we worked on a presentation for our introductory meeting planned for September 13th, where we discussed competitions and conferences that FBLA hold every year, along with our weekly schedule for FBLA meetings.

Our new officer team is excited for the new year, we have exciting events coming up and can't wait to meet our new members!

# UPCOMING EVENTS:

## Fall Blood Drive

We are excited to be hosting another Blood Drive on September 29th at Monroe Woodbury High school! Throughout the school day, our FBLA members help out during free periods with creating signs and posters, as well as helping donors with registration or restocking snacks. We are hopeful to get many donors from Monroe Woodbury this year!

# UPCOMING EVENTS:

## Fall District Meeting

This school year's FDM will be held at Monroe Woodbury High School, where we will be having Senator James Skoufis as our guest speaker. There will be 3 Workshop sessions throughout the meeting with topics ranging from *How to Begin a Business* to *Parliamentary Procedure*. We will also be hosting a dinner after the workshops and a Battle of the Chapters. We hope to have another successful FDM and can't wait to see everyone there!
