SDM

I have begun planning our SDM with my advisor and we plan on having it at Herkimer college again. We are open to any feedback or suggestions any of the chapters have to improve their experience at these meetings!! Please don't hesitate to reach out at svp7@nysfbla.org. I also urge anyone with pictures they want included in future newsletters or at SLC to please send them to me or our Historian Jasmitha Keesara.

DISTRICT OFFICERS

At FDM I had an overwhelming amount of applications for District office it was very hard to narrow my decision down with all of the highly qualified applicant. But I am proud to present your 2024-2025 district officer team, Crystal Potekhin, Kahlan Williams, Elizebeth Buckland, Kiera Crossway, Marlee Lockwood, Ehboe, and finally Jason carrion.

Fall update

Hello District 7, it was amazing to finally meet you all in person and get to know you all through different workshops and meetings!

Over the next couple of months, the district officer team and I will be working towards making this year great year for District 7 with fun events and lots of collaboration among the different chapters within District 7.

I hope to see many of you in the coming months at SDM and any other events to get to know you all and work with you to improve not only district 7 but NYS FBLA as a whole!!
