

District 8

Newsletter

We are falling into this next season of FBLA starting with our Fall District Meeting which was on November 10th. It was a huge success! In the coming months we encourage you to work on your competitive events, as well as participate in local, state, and national programs. These include the Program of Work and the Business Achievement Awards.

Fall Edition

FDM

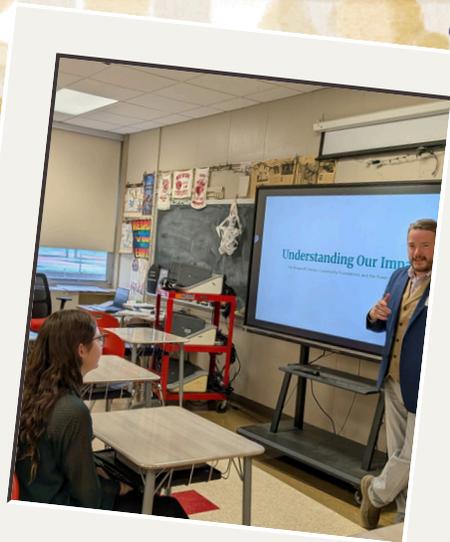

Fall District Meeting

The 2025 Fall District for District 8 was extremely successful! We had four schools in attendance: Corning-Painted Post, Unatego, Waverly, and Windsor for a total of 53 members along with five advisors and Mrs. Diane Masters from the BOT. We hosted six workshops with a variety of topics to provide our members with valuable knowledge to start the year!

Fall District Meeting

Coin Challenge

Benefitting the Ronald McDonald House

RMHC®

Unitego

This fundraiser/competition benefited the RMHC. They are an organization that believes no child should have to face their illness alone. Keeping families close together is vital to a child's recovery. They work to relieve the financial burden families face when their child is ill by providing free housing near their care facilities.
