WINTER EDITION

District Update!

Hi District 12 FBLA! I'm excited for the winter season and everything coming up in 2026—make sure you're staying updated by checking nysfbla.org regularly for events, deadlines, and opportunities. Our Spring District Meeting (SDM) will be held on February 7 at Williamsville East High School (registration is \$5 and refreshments are included), and remember that if you're competing in district-level events for SLC, attendance at SDM is mandatory, so please register and sign up for your competitions on time. Also, keep working on your Program of Work challenges—with many due February 15, now is the perfect time to wrap them up and submit. For ongoing District 12 updates, follow [@suhratfbla](https://twitter.com/suhratfbla) and check my monthly posts on the NYS FBLA website, and if you have any questions, reach out to me at svp12@nysfbla.org.

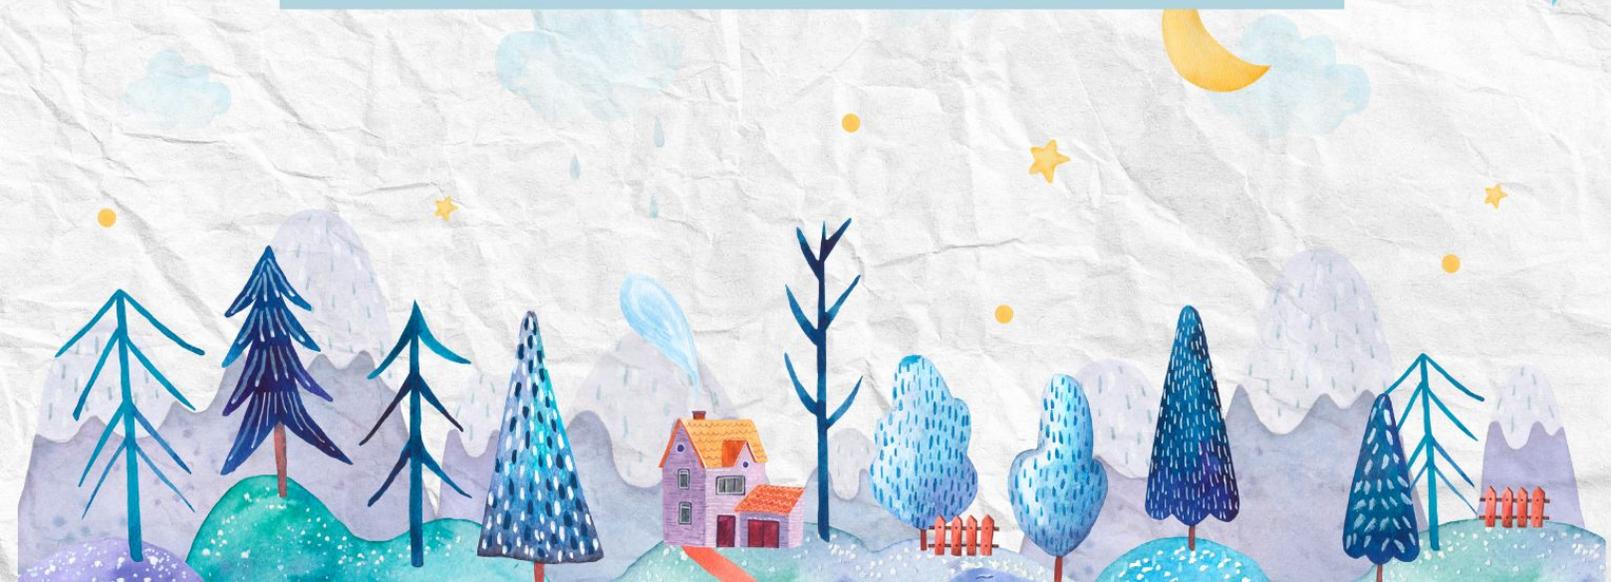

SDM!

**Date: February 7th,
2026**

Time: 10am – 1pm

Deadlines Coming Up

**February 15 – NYS FBLA National Honor
Society Application**

**February 15 – All other Program of
Work Challenges**

State Charity

Our New York State FBLA charity is Ronald McDonald House Charities, which supports families by providing housing, meals, and resources while their children receive medical care. At our Spring District Meeting, we will be hosting a coin challenge, so be sure to bring your spare change—all proceeds will go directly to Ronald McDonald House Charities. Your participation helps make a real impact, and even small contributions can make a big difference.
