

DISTRICT 10 NEWSLETTER

SPRING EDITION

The Spring District Meeting took place on February 3 at the Golisano Institute, bringing together FBLA chapters from North Rose-Wolcott, Wayne Central, Brighton High School, and Webster Central Schools. During the event, members participated in several individual and team competitions. Practice tests were also offered to give students additional preparation for the State Leadership Conference

STATE LEADERSHIP CONFERENCE

25/26

District 10 FBLA members are currently preparing for their competitive events at the New York State Leadership Conference, scheduled to take place in Rochester, New York, from April 15–17. Program of Work challenges were submitted by the February 15 deadline, and recognition for these projects will be presented at NYSLC. Awards for both individual and team competitions will also be announced during the conference.

BE INVOLVED

25/26

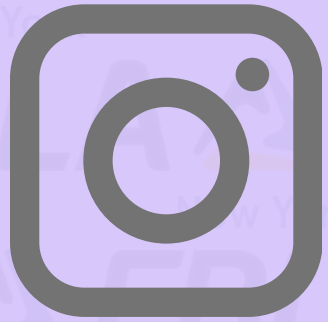

At the SLC, be sure to take part in workshops, attend the talent show, enjoy the dance, and connect with other members. Engaging with fellow participants is a great way to learn more about FBLA and build meaningful connections with new people.

FINAL WORDS

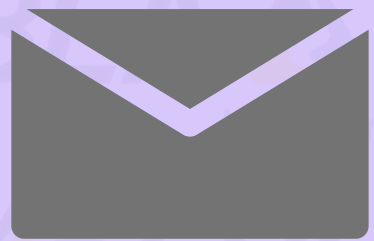

Thank you, District 10, for giving me the opportunity to serve as your 2025–2026 State Officer! This experience has helped me grow as a leader and build connections with amazing people from across New York State.

If you're interested in becoming a State Officer or have any questions about the process, feel free to reach out to me at svp10@nysfbla.org. I'd be happy to help!
