What I've Been Up to

As State Vice President of District 3S this month I have been busy working on our FDM and on projects across the district and state. FDM was a major success with many opportunities for members to participate and learn through the event.

Now that FDM has passed I look forward to preparing for SDM in January and SLC in March. I also have been at work with my fellow state officers on POW and other state programs.

I can't wait to meet more of you all at SDM and see all the achievements of members in our district throughout the year

Upcoming Events

Prepare for these conferences and meetings!
