SVP Activities

I have just finished running our FDM this past week. I now am working very hard on finding a date and location for our SDM. Members are encouraged to attend SDM to gain skills that will help them compete at SLC. Networking at SDM will also be encouraged just like at FDM.

Thanks for being part of our journey!

District 4 FDM Highlights

Coconut Workshop

Shark Tank

New York FBLA

SDM Info

SDM will be a district competetition conference. Members will compete in qualifier events that will move them forward in competing at SLC.

SVP Note

Thank you all who attended FDM and participated. Special shoutout to Ms. Francis for being our keynote speaker. Thank you to Shenendehowa as well for running the Shark Tank.
